"The Morning Journal has a higher circulation rating than is accorded to any other paper in New Mexico."—The American Newspaper Directory. The only paper in New Mexico issued every day

MEMBER OF THE ASSOCIATED PRESS

set apart for paying homage to the Stars and Stripes. Appropriate services were held in Albuquerque, But when it came to displaying the national colors, many of the business houses in particular were found wanting. There was not the general flutter-

sale from practically nothing to millions of dollars a year by the judicious use of printer's ink. In faci, it is pretty generally agreed these days that any man in business who does not advertise soon will find the spiders weaving cobwebs across his front door. Even the churches of recent years have come to the logical conclusion that advertising pays and it is not an unusual sight to see, particularly in metropolitan papers, considerable advertising space

During the last two weeks Albuquerque has been latter on their way to the imperial council at San the occasion and showed the visitors a good time. Citizens donated the use of their automobiles and gave of their time, some of them, at least, making sacrifices in order that the strangers within our gates might be afforded a few courtesies. The Y. some of the marks of travel.

No doubt those who "cast their bread upon the waters" did so without expecting any tangible returns. They exemplified the Albuquerque spirit to showing the visitors a good time.

The Journal carried a story Wednesday morning from its special correspondent at San Francisco. which read as follows:

Railroad officials said today that perhaps more trains would pass through Al-buquerque on returning to eastern desti-nations than was true of the trek toward Mecca. Stop-overs at Albuquerque also have been requested by several delega-

Shriners who were entertained here on their way to the Mecca by the golden gate, told others of Albuquerque's hospitality and our natural scenic won- To float in shimmering light above the lake. ders. Now hundreds who have heard of Albuquerjourney eastward in order that they, too, may visit the metropolis of the southwest, and C. M. Barber telegraphs that there is strong probability that the Shriners' Hospital for crippled children will be located here.

Verily, advertising pays.

seems to have been taken too literally in Albuquerque and its environs in the past. At the meeting of the county commissioners Wednesday the statement was made that "one of the things lying at the root of such lawlessness as does exist in the councy is the way in which many of the dances are con-

There is not much of the time when a general ducted."

Dancing is coming to be recognized more and more every year as a delightful form of entertain much every year as a delightful form of entertain who wrote such a beautiful hand, signed with a flourish and could even weave birds and the forest. She with a flourish and could even weave birds and flowers into the ink work?—Florida Times-Union.

There is not much of the time when a general and Uncle Butter. Who is this little girl who is lost?"

"Her name is Phoebe," bleated the goat gentleman. "I heard her mother and father calling that much are through the forest. She with a flourish and could even weave birds and flowers into the ink work?—Florida Times-Union. There is not much of the time when a general and Uncle Butter. Who is this little girl who is lost?"

"Her name is Phoebe," bleated the goat gentleman. "I heard her mother and father calling that a flowers in the individual of the sold gentleman. There is not many in the goat gentleman. "I heard her mother and father calling that the forest. She is called Phoebe."

"Oh, ho! Then we can easily help!" sang one of the birds. "You see, we are known as the Phoebe Bird, because that is our or constant cry as we fly over fields."

It takes \$32,000 a day to run Congress, not

permissible.

Is THERE A RUN FOR THE MONEY.

It takes \$32,000 a day to run Congress, not constant cry as we fly over fields counting what it costs the country when congress or through the woods. Sometimes we are called the 'Girl Bird,' because we always call the public dances which have been conducted in the runs wild .- Philadelphia Enquirer. past, both in Albuquerque and its environs, have been nothing short of disgrace. They have produced fights, drunken brawls and, if we are not mistaken. shooting scrapes. No strenuous objections are noing to be raised these days to holding dances, if they are properly conducted. But if they are going to be the breeding places of crime, require extrapolice protection and be a menace to the communities in which they are held, then it is time to hedge them about with such strict regulations that will guarantee them being conducted in a decent mau-

The self-respecting citizens of Albuquerque and back of Bernalillo county will, we feel sure, stand back of the law enforcement officers in their efforts to make succeeded in throwing doubt on their appeal for public dances respectable gatherings and avoid a public dances respectable gatherings and avoid a repetition of the disgraceful episodes which have characterized some of them in the past.

DEMOCRATIC INSINCERITY.

The solicitude of democratic senators for the exhibitions. future welfare of the republican party is heart-

dens upon the people of the country for the benefit of certain classes. But if the minority is sincere in the belief that the country will repudiate the meas ure, why, instead of delaying enaction of the bill does it not let the effects work now and thereby reap the reward from the disgruntled voters in November? The democrats charge that the republican leaders are bluffing and have no intention of passing a tariff bill before the eve of election. Then why don't they call the bluff?

The truth is there is no sincerity in the demoratic charges, which have filled the Congressional Record for days, to be franked out at the governtariff to protect American midustry is one of the things most sorely needed to give commerce and industry the acceleration needed to top the hill to normally. The minority knews that the party in power is going to enact a tariff law. If it has any regard whatever for the interests of the country it will quit playing politics and end its senseless and costly spiking of the legislative wheels.

Sry birds." asked Uncle Wiggily one morning, as he hopped out into the kitchen of his hollow stump bungalow.

I put some on the pantry shelf, answered the muskrat lady housekeeper. "But where are the birds you wish to feed!"

Out in the yard," answered the muskrat lady housekeeper. "But where are the birds you wish to feed!"
